CLAIM FILING INSTRUCTIONS
NOTE TO ORGANIZATIONS AND PATIENT

Our objective at Special Risks Claims is to provide fast and accurate claims service. Listed below are some instructions on claim submissions that, when followed, will assist us in providing this service.

EXCESS COVERAGE

If the policy is an EXCESS PLAN, we will not pay benefits for, nor can the deductible (if any) be satisfied by, covered expenses to the extent that they are collectible under:

1.) another insurance contract or prepayment plan;
2.) a trusteed, union, employer, or employee benefit plan;
3.) Workers' Compensation (or similar occupational law); or
4.) A government plan (except Medicaid and other public assistance plans), including one set forth by statute (such as Medicare)

WHEN TO FILE A CLAIM

1. **If the policy contains an EXCESS MEDICAL EXPENSE BENEFIT, YOU MUST FIRST FILE THE CLAIM WITH ALL OTHER PLANS (including major medical) so we may determine what benefits are payable.**
2. **Written proof of loss (the completed claim form and supporting documents) should be given to us within 90 days after the loss starts.**

HOW TO FILE A CLAIM

1. **Have the plan sponsor complete and sign Section I of the claim form. Make sure all information is provided, including the plan sponsor name, policy number and information on how/when the accident or sickness occurred.**

2. **The Patient (parent or guardian, if minor) must complete Section II in full.**

Completion of a claim form with false, incomplete or misleading information may be considered a criminal act, and because of the additional investigation time required, may result in processing delays. Before you submit a claim, please double check all of the information on the form to assure that it is accurate.

3. **If you want payment to be made directly to the provider or medical services, sign and date Section III.**

4. **File the medical claim(s) with the other insurer(s) as soon as possible. Upon receipt of the explanation of benefit statement(s) from your other insurance company(ies) or plan(s) showing payment or denial of claim, submit a copy of the statement(s) along with the completed claim form and copies of all itemized bills to us for processing. An itemized bill normally lists the patient's name, diagnosed condition, treatment dates and charge per treatment, and including the name, address, and federal tax identification number of the provider of service.**
